

Performance you can rely on.

Infineum overview

Performance you can rely on.

Introduction

A world leader in the formulation, manufacture and marketing of additives for the fuel and lubricant industry

Performance you can rely on.

Our product portfolio

- Passenger car motor oils
- Heavy-duty diesel engine oils
- Small engine oils
- Gas engine oils
- Marine oils
- Fuels
- Transmission fluids
- Components and pour point depressants
- Viscosity modifiers

Performance you can rely on.

The Infineum advantage

- Infineum products are in 1 in every 3 vehicles
- Our fuel additives treat more than 150 million tonnes of diesel fuel every year
- Our additives are in more than 200 million motorcycles worldwide
- Sold in 90 countries across all continents

Performance you can rely on.

Our strengths

- 1,900+ global patents
- Truly multicultural, with 2,000 colleagues around the world
- Outstanding performance on Safety, Health, Environment: safety record in the top 10% of chemical industry
- Focused on delivering technology excellence through innovation
- Broad market knowledge
- State of the art, global quality processes

Performance you can rely on.

Our global presence

- Business and Technology Centres in China, Japan, Singapore, the UK and USA
- Sales and Marketing representation in more than 70 countries
- Manufacturing facilities strategically located to achieve reliable global supply

Performance you can rely on.

Performance you can rely on.

- Our *Technology Excellence* is backed by rigorous processes that ensure consistency and quality through product development to end delivery
- We *Reliably* develop, manufacture and deliver advanced chemical solutions that meet exacting customer and industry standards
- We *Collaborate* closely with our customers to help them develop cutting-edge products that yield superior performance

TECHNOLOGY
EXCELLENCE

RELIABILITY

COLLABORATION

Performance you can rely on.

A detailed close-up photograph of an engine's internal components, showing various pulleys, belts, and mechanical parts in a blue-tinted color scheme.

Technology excellence

- Technical excellence through innovation and collaboration
- Offering unique additive component solutions
- Providing technical data, advice and support to help our customers realise the potential of our technology

Performance you can rely on.

Reliability

- Our manufacturing and supply chain performance is world-class with over 99.5% complaint free delivery
- 24 hours a day, 365 days a year, we focus on customer satisfaction
- Recognised by government agencies worldwide

Performance you can rely on.

A photograph of three business professionals (two men and one woman) sitting around a conference table, engaged in a discussion. The man on the left is wearing a red and blue plaid shirt, the man in the middle is wearing a light blue shirt, and the woman on the right is wearing a pink top. They are all looking towards the right side of the frame. The background shows a window with vertical blinds.

Collaboration

- Close customer relationships to understand business and technical goals
- Working with OEMs to design new solutions enabling technological innovation
- Active industry presence contributing to development of industry standards

Performance you can rely on.
