AND ENABLE EDGE AI IN MISSION-CRITICAL APPLICATIONS

Eurotech is a **global company** that designs, manufactures, and distributes **edge compute** and **Industrial Internet of Things (IIoT)** technology to system integrators and enterprises.

Eurotech's customers have access to IoT building blocks, comprised of configurable **hardware** and **software** options, **paired with support services**. **Edge Gateway** products and **High Performance Edge Computers (HPEC)** enable them to quickly and easily add **Artificial Intelligence (AI)** applications to their systems in a **secure environment**.

# where — we play

We operate in **fast-growth markets** worldwide: **industrial automation, transportation & off-road, medical, utility grids, and communications**, often in the most demanding physical and mission-critical environments.

**Eurotech has partnered with the world's leading cloud compute providers to create 'best in class' solutions for IIoT.**
